GREETINGS FROM FR. GRAHAM PUGIN SJ

Mwangaza Retreat Centre, Nairobi, was home to our Ecclesiastical Assistant from September to the end of November. With twenty-six eight-day (nine nights) retreats and two thirty-day, for up to fifty-five people each, it is said to be the busiest retreat house in the Society of Jesus. Fr Graham is now back in South Africa and we look forward to our regional sessions with him in the new year. The following pictorial account shows the beauty of Mwangaza.

CLC EDUCATION SUPPORT

News from Gauteng is that members of the Holy Trinity CLC group have been assisting pupils at the Bophelo Impilo Community Private School. As the school currently has no teachers for Mathematics or Physical Sciences, some CLC members have been tutoring pupils at the school in these subjects, and focused especially on helping the Matric pupils prepare for their final examinations.
