March 2018

## NATIONAL EXCO MEETING

Members of the CLC National Exco meet each month via SKYPE, and come together at least once a year for a face-to-face meeting. This year's face-to-face meeting happened at the Jesuit House in Auckland Park, from 16-18 March. It was a grace-filled weekend of hard work, discussion, reflection, planning and joy!

## MEET COLLEEN AND ROSE

**"My faith-walk, family, friends, music and my daily activities in the field of education all bring purpose, meaning and direction to my life. I am grateful to have found a home in CLC, and look forward to serving CLC South Africa on the National Exco."**

**"I come from St Joseph Katlehong, and became a member of our CLC in 1999. Fr Graham transformed our group into a CLC group in 2016. I have been on the leadership committee of our group for some time, and it is an honour for me to have been nominated by my group and then voted on to the National Exco. I believe the Holy Spirit will guide me in being of help to the National Exco and serving my community in Katlehong".**
