MASITHETHE

Christmas Message from our National Coordinator

Christmas 2022

On the very Eve of this wonderful celebration, the birth of our savior, one has to wonder about the secular celebration. It has made me wonder why we so easily lose focus on the reason for the season, a season that often gets caught up in expensive gifts and stress. I pray that we as CLC SA are still on the path of remembering that Jesus Christ is the reason why we have this feast.

Thank God for the love that we share. May we celebrate, and remember who we celebrate - bringing back the focus to a God of abundant love. Receive Immanuel - God with us - into your life and heart, and then share this gift with all your loved ones.

May Christmas 2022 be a time of real peace and then, as we look forward to 2023, may we be prepared to revive our community in many ways.

God bless, Malesabe aka Sabie Makgothi.

**The National Exco wishes you all a very
blessed Christmas
and a grace-filled 2023!**
