MASITHETHE

Feast of St. Ignatius: 31st July

The feast of St Ignatius will soon be upon us, and we invite you to consider how you would like to mark this occasion with your local or regional groups. It is a wonderful occasion to prompt a get together – whether that be having a group meeting after a long break, or meeting together for a meal. A few years ago, I heard a homily by Fr Matthew Power SJ where, as I recall, he spoke of the wonder of the fact that when Ignatius experienced God in such a personal and grace-filled way Ignatius' response was to understand that encounter as being about who God is, not about who he was. It was this insight that led to his life-long desire to help others to know this God. As we prepare for this feast, I invite you to consider who God reveals Godself to be to you in this moment of your life – and in what small ways you can share that God with those around you.

JISA is hosting a morning of reflection on Saturday 30th July. This should be a wonderful way to mark the feast.

If you would like to attend, CLC National is offering to provide a shared donation for members attending. We can also offer data support if you are in need – please reach out at

christianlifecommunitysa@gmail.com to let us know if you are attending and would like us to cover your donation or data needs.

Kaye will soon be heading off to Manresa to participate in the World Formation encounter. Please do keep her in prayer as she travels and represents us at this encounter. The formation team held an online “sending” for Kaye where it was good to unite in prayer with hope and thanksgiving for CLC and to pray for Kaye as she is sent and for the Holy Spirit's guidance and inspiration for the MANRESA gathering.

For her preparations, Worlds has asked for reflections on our formation experiences. If you would like to respond to the question below, please send Kaye an email or email the national account for it to be forwarded on.

What formation experience in one of the four axes does your national community recognise as important and valuable that you would like to share with the World Community?

Eastern Cape Regional Assembly

CLC in the Eastern Cape held a lovely gathering in Port Alfred for their Regional Assembly on the 3rd July. Mandy Jones from CLC in Gauteng (but who is now living in Port Alfred) joined us and gave wonderful input on our Mission, Community, and Spirituality in CLC.

Mandy has agreed to share the presentation with the Formation Team and group leaders who were at the Assembly will also receive it to present to their groups as a whole so that our members who were not able to be at the Assembly can experience the input as well.

CLCers from East London, Makhanda, and Gqeberha gathered in person for a wonderful day of prayer and community.

We held our CLC National Prayer on the afternoon of Saturday 11th June, led by Sabie. We were a small group, but with representatives from all regions! It was a blessed time of community and prayer. Look out for the date for our next National Prayer in September.

Recently Christine was in Cape Town and was lucky enough to meet Shri and Maria's little Joseph!
