WORLD ASSEMBLY PREPARATION

Sabie, Colleen and Fr Graham are grateful for your responses to the REFLECTION QUESTIONS in the Preparatory Meetings for the World Assembly. Our delegates are hard at work collating the responses, all of which reflect the Joy that CLC brings to our lives and how CLC is a gift to the Church and the world.

CLC EDUCATION SUPPORT

“Life is a gift. Every child is born bearing gifts. If every child were nurtured as they should be, we might have discovered the cure for cancer by now...Let us be the keys that open doors for poor people clawing their way out of poverty! Yes! We can eradicate poverty. But it will take a village and without you and you and you- all of us- that village cannot be complete.

Won't you be a key? “

-Sindiwe Magona

Are YOU a “key” that opens doors for children to be educated?
